books for a month.

Plans are being made to have a practical Arbor Day at Dowell School. We are going to plant some maple trees and have made arrangements with a mail order house for a couple of dozen small Boston ivy vines to plant around the school houses.

We are going to try and make our school yard and buildings pleasant. Spring surely is here, pupils have reported for several mornings of seeing Meadow Larks, Robbins and Blue birds while coming to school.

HIGH SCHOOL NOTES. basket ball team has succeed Our basket ball team has succeeded in breaking the.—it is hardly a spell nor is it a charm. The boys won the game with Montpelier March 6, also the one with Fayette March 13. Both were close games. Tonight we play Bryan, two teams, and expect to win. This is the last game that the W. H. S. basket ball team will play in our aditorium. The auditorium will be raised next fall before the basketball season begins. Turn out and see the game.

Turn out and see the game. Turn out and see the game.

The debating teams are busily engaged in arranging a line of arguments that will win the battles for the W. H. S. Daily excursions to the library after school and in the evening are being run. If you don't see them in the reference room they are in special rooms for such purpose. The first debate will be with Hicksville in April. The question resolved that the United States should employ armed intervention in the Mexican situation.

can situation.

Archbold may beat us in basketball, this year but they are afraid when it comes to debating. Perhaps debating of our class is a greater achievement. If some of the language by some of their fellows, high school scholars, could be refined, purified and elevated their debating standard might raise. It is worth trying, and we wish you success in the attempt.

comes even more of a rage than it is now.

Harmony Hair Beautifier is just what it is named—a hair beautifier. It is not a hair dye or hair oil—but a dainty, rose-perfumed liquid dressing to give the hair its rich beauty. Easy to apply—simply sprinkle a little on your hair each time before brushing it. Contains no oil, and will not change color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instanteneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet-smeling cleanliness.

Both preparations come in odd-
